

# TAMESIDE/GLOSSOP PCT

Farebrother Ltd carried out the office refurbishment of Tameside and Glossop PCT's Headquarters in Denton. Given that the existing building consisted of 3 floors with finished open plan offices on each floor extreme care to the existing surfaces was required.

Customer	<b>NHS Tameside and Glossop PCT</b>
Value	<b>£250k</b>
Area	<b>4000sq metres</b>
Duration of Contract	<b>3 months</b>

## SCOPE OF WORKS

New cellular partition offices were installed along with a small kitchen area on each floor. The M & E services were redesigned and modified to suit the new partitions. The project was completed on time and to the PCT'S satisfaction in line with a very tight programme.

Farebrother Business Focused Maintenance also have a 5 year contract to maintain the Mechanical and Electrical services within the building including a 24 hour emergency call out facility.

**Building** - Internal walls, partitions and kitchens

**Mechanical** - Redesign, modifications to ventilation, comfort cooling, Domestic hot and cold water services.

**Electrical** - Redesign, modifications to lighting and small power, installation of emergency lighting, fire alarm and intruder alarm system.
